HHHS not part of higher emergency doc payouts

Concern expressed
over potential for
bidding war for MDs

by Ariel White

A government plan to help small Ontario hospitals, may end up damaging the stability of the hospitals in the Highlands. While 27 Ontario hospitals will receive a financial boost to pay emergency physicians, the Haliburton County hospitals will not.

The Ministry of Health recently announced that 27 Ontario hospitals would receive funding to increase emergency doctor payments to \$100 per hour. Currently the Minden and Haliburton hospitals pay \$70 per hour. Emergency departments at hospitals in Bancroft and Huntsville will receive the additional funding boost.

The announcement was a topic of discussion at the July 29 Haliburton Highlands Health Services board of directors meeting. According to HHHS Executive Director Foster Loucks, the Ministry of Health targeted the additional funding to those hospitals which reported they were having a serious crisis in maintaining their emergency rooms. "We had not expressed that concern because I felt that the situation here is stable," said Loucks. He suggested the other hospitals did have a genuine need for the funding.

"We're raising the bar from \$70 to \$100, and as long as we continue to receive funding it is not a concern. It is a concern if it starts a bidding war between communities. There is a limited supply of doctors. We're going to be left without the resources to compete in the bidding," said Loucks.

Although he is confident that the government funding is merely a short term solution, if it were to continue, the extra money may lure emergency doctors away from this area. He suggested they would be attracted to other areas where they would receive more money. "Even in the short run I'm concerned that this announcement has opened up a certain amount of inequity," said Loucks.

In response to the announcement, the Haliburton Highlands Health Services board will write to the Minister of Health and MPP Chris Hodgson expressing its concern over the potential problems this solution may create with other small hospitals in the province.

Millie Struik and Irene Moxam demonstrated the fine art of quilting during the annual Quilt, Rug and Fibre Art Show at the Minden Community Centre during the weekend. In addition to demonstrations, visitors were able to enjoy displays of quilts, hooked rugs and historical items. For more photos from the show, please turn to page 16.

County gives \$68,000 for area promotions

Haliburton County Council has approved almost \$70,000 which it hopes will boost tourism and awareness of the Highlands. The money will be spent in a variety of ways to market Haliburton County as a four seasons destination for anyone and everyone.

Warden Elva Bates spoke on behalf of the County, at the presentation at PineStone resort on July 30. Bates talked of the founding fathers of the Highlands and how the pioneers migrated north to what is now Haliburton County in the hopes of finding a land of opportunity. "Those of us who live here still consider this a land of opportunity," said Bates.

Three groups received the marketing money, including the Bancroft Chamber of Commerce, the Haliburton Highlands Trails and Tours Network and the Algonquin Snowtrail Alliance. All three groups made presentations to County Council recently, asking for assistance. Council made the decision to back the projects with the hope that their effort would promote the county to a large group of people with a variety of interests.

Perry Kelly, treasurer of the Bancroft Chamber of Commerce received a cheque for \$20,000. The funding will go toward the marketing of the eastern municipalities of Haliburton County, as well as promoting local business and maintaining mining collections and tours in that area. Warden Bates added that the council is eagerly awaiting a formal presentation by the Haliburton Highlands Chamber of Commerce sometime this year.

The Haliburton Highlands Trails and Tours Network received \$18,000 for two direct marketing projects on which it will be working. Three trail information kiosks will be constructed at various gateways into Haliburton County. The kiosks will contain infor-

mation on trails and tours in the area, as well as information on accommodation, restaurants and services available in the area. The county contribution is one-third of the total cost, with another third coming from the Millen-

Raising his arms in victory, Darren Jermyn is the first to cross the finish line in the 1999 edition of the Heineken Yard. Despite searing temperatures, 322 runners took part in the annual run from Camp Onodaga to downtown Minden. Jermyn, who competed in the 20-29 age class, completed the run in 23 minutes, 43 second, 59 seconds ahead of the next runner.

TOUR SUPPORT: Haliburton Highlands Health Services Foundation treasurer Joanne Camelon and Capital Campaign Vice Chair Gord Monk, right, accept a cheque for \$5000 from Minden Home and Garden Tour Chair Diane Graham. The money was raised during this year's tour and was presented on the front porch of the Wild Swan Bed and Breakfast Inn, Minden, one of the locations featured on this year's tour. Also on hand for the presentation were members of the organizing committee, including, from the left, Jeanne Arthon, Marion Mandell, Gail LaBerge, Pat Campbell and Irene Rahme.

Waiting for CMHC

by Ariel White

Gord Hamilton has never seen his basement.

Since moving into his home on Prince Street in early July, he has been restricted to the main floor of his house, while awaiting grant approval from the Canada Mortgage and Housing Corporation to renovate his home into a wheelchair accessible building.

"If I had known this would happen, I probably wouldn't have bought the house," said Hamilton. "It's supposed to be my house and I can't even go downstairs."

Gord is confined to a wheelchair and must have a ramp to enter his house. His wife Sue now must walk with a walker after an accident several years ago on Buckhorn Road where she broke both ankles and her neck.

Gord and Sue purchased the house in early July. They had been living in a one level home but were tired of renting and wished to purchase their own home. When the couple went to their bank to work out their mortgage, they were told that there was a loan process available through the CMHC that

would allow them to ensure that their new home would be accessible. This, in the Hamilton's view, would include a wheelchair ramp into their house, as well as a lift to allow them to use the lower level and a wheel-in shower, to allow Gord to bathe without the assistance of another person. The couple applied for the Residential Rehabilitation Assistance Program (RRAP) for persons with disabilities and waited.

The Hamiltons are still waiting, as the funding has not yet arrived. They haven't even been able to find out if they have been accepted, as the CMHC has not yet relinquished funding to the Minden area. They were told that it may arrive in June or July, but nothing has been resolved at this time. The Sudbury office of the CMHC has been inundated with calls and it is very difficult to get through.

Now the Hamiltons must rely on almost daily help from the Red Cross homemakers, help they believed they would need only three or four hours a week if their house were accessible.

Gord Hamilton doesn't like being dependent on other people. He has spent his life being independent and

was doing quite well at it.

For 14 years Hamilton competed in track and field events for the physically disabled, specializing in sprint races. His spare bedroom is filled with ribbons, medals and trophies from regional, provincial, national and international events.

He has travelled to England, Sweden and Denmark competing in track events and even coaching others in the sport. He has wheeled his way through two 26 mile marathons and used to travel five kilometres each day in training. His career was cut short on a trip to Windsor for a meet, when he was involved in a car accident and his leg was badly damaged.

The couple is thankful for the help that has been forthcoming from the community. They received help from Barry Sisson and his son, as well as several Minden firefighters when they moved into their home. As well Derek and Kim Warburton helped to construct a sturdy wheelchair ramp into the house, which has been a saving grace

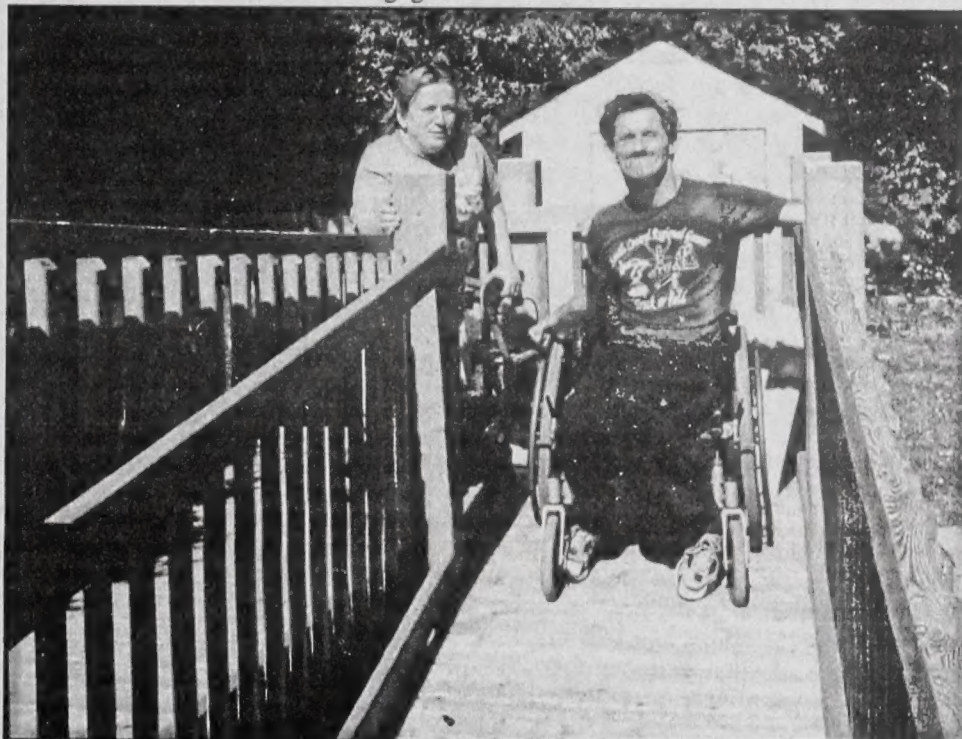

for the Hamiltons.

They are also grateful for the help of their lawyer Carolyn Coburn, who is assisting them in their struggle with CMHC. They enjoy the Highlands, where they have lived for about five years, after moving from Scarborough. They left the city after Gord was mugged on the street.

So now the Hamiltons wait and wonder if the funding will be allotted to the Minden area. Sue feels badly that they may not be the only people waiting, as the RRAP program also covers seniors whose homes need increased accessibility. "If there are people who end up in Hyland Crest because of this, it's just not fair," said Sue.

With the addition of the outdoor ramp, the Hamiltons have access to their backyard to enjoy the sunny weather, but until the question of accessibility is resolved, Gord says his house is not yet a home.

(Attempts to contact CMHC were unsuccessful.)

Through the generosity of the local community, a ramp has been installed at the Hamilton residence. However, Gord and Susan Hamilton are still waiting to hear from Central Mortgage and Housing Corporation whether they will be paying for it and other changes to make their home to make it accessible.

You are invited to a Garden Wedding

-by the Minden and District Horticultural Society-

You've waded to us while we were watering and weeding, now you're invited to the Wedding!

The Minden and District Horticultural Society's twentieth annual Flower Show, "A Garden Wedding", is being held at the Minden Community Centre Thursday, August 5 from 7 to 9:30 p.m. and on Friday, August 6 from 10 a.m. to 2:30 p.m.

If you think the flowers planted around Minden look good, come and see what the members have grown themselves at home and are showing off.

Specimens range from Ageratum

to Zinnia. We have expanded our exhibit area to two rooms. There will be collections, hanging baskets and potted plants. The feature of the show will be the decoratives with imaginative categories such as *True Love*, *At the Altar* and *Something, Old, New, Borrowed and Blue*.

After passing through the arched entranceway into the garden, and wandering about admiring the flowers, vegetables and photography, visitors will be invited to enjoy complimentary refreshments including dainty sandwiches and tea.

Admission is only \$3 per person, children 12 and under, no charge. This is your invitation to join us at our Garden Wedding this summer.

New doctor joins Minden clinic

Another doctor is joining the team at the Lions Medical Clinic in Minden.

Dr. Jaan Roos will be joining the staff of the clinic starting this Friday.

The doctor has chosen the Minden location seeking a change in lifestyle. He and his wife Merike Kalm have purchased a home on Twelve Mile Lake and will begin building a practice at the Minden clinic

Dr. Jaan Roos and his wife Merike Kalm are looking forward to a change in lifestyle with a move to Minden.

by offering his services initially on a part-time basis. "We are looking forward to moving to Minden and taking advantage of the many recreational opportunities the area has to offer," he said in a recent interview.

Both Dr. Roos and his wife have been active in a variety of sports. He has coached runners and race walkers. He was the coach who guided the Canadian team to a silver medal win at the 1998 Commonwealth Games and holds five world records in masters level race walking. He has also been involved with the Ontario Race Walking Club, the largest in Canada.

Merike shares his interest in sports and is a certified judge and coach in race walking.

They also have an avid interest in cross-country skiing. Jaan was the physician and chief instructor of the bronze medal winning Snow Hawks Cross-Country Ski Club, an organization for the visually impaired. He served as the physician for the Canadian National Cross-Country ski team and was with the team when it competed at the Special Olympics in Gejlo, Norway in 1980.

A family physician, Dr. Roos has been specializing in respirology in a number of areas during his practice in Toronto. In addition to operating his own practice in Toronto he has served

as a consultant to the Workers Compensation Board and served at various respirology clinics in the city. He has also been a lecturer and assistant professor in respirology at the Department of Medicine at the University of Toronto.

As well he has served as the medical officer for a number of nursing homes in Toronto.

While valuing the experiences his many activities have offered in the city, they are both looking for an opportunity to slow down just a bit. "Minden offers us an opportunity to get back to our training program," he commented. Merike suggested that if there is enough interest, they may wish to start a race walking club in the Highlands.

Dr. Roos has also been involved with the Scouting movement.

At this time he will be taking appointments each Friday at the clinic and will expand his availability here as his patient load increases and he is able to pass on his responsibilities in various groups in Toronto. Dr. Roos joins three other physicians at the clinic, including Doctors Ben Wu, Emile Campioni and James Mallett.

His practice begins this Friday, August 6. Appointments can be booked by calling the clinic at 286-2001.

Where is Chuck?

A scarecrow is missing.

While the number of scarecrows is growing throughout the Minden area, a call has been issued to flush out one which has disappeared.

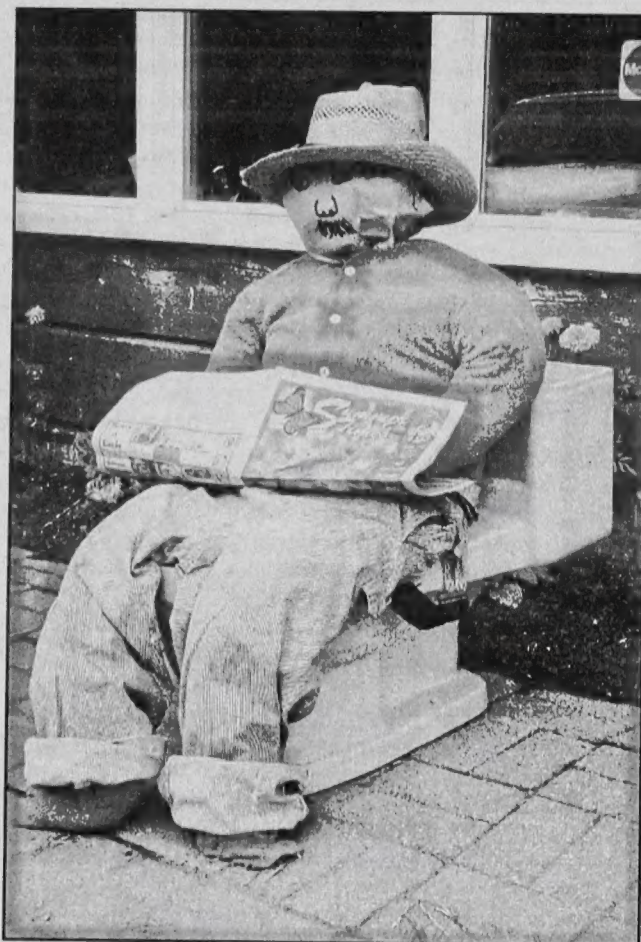

Missing is the scarecrow which was seated in front of the Highlands Plumbing Store on Main Street. (As this photo illustrates, the original, known as Chuck, has been replaced by an able stand, ahem, sit in.)

Highlands Plumbing manager Sue Hewson reported that the original scarecrow disappeared, whisked off his seat in front of the store, some time last week. The special tableau, appropriate to the nature of the business, was momentarily spoiled when the figure was removed.

"Perhaps he was done," one passer-by suggested, examining the setting.

Sue is upset and would like to see the mascot returned. She noted the scarecrow was last seen wearing a pair of Highlands Plumbing coveralls with the name Chuck on the bib. She also pointed out that the knees of the coveralls had seen a lot of ground. Sue was particularly concerned because she had purchased a pair of size seven and a half rubber boots to complete the outfit. "I wouldn't mind getting those boots back," she commented.

While she was upset by the loss, Sue plunged right back in, creating a

Chuck's replacement is on the job even as the search continues for the original scarecrow which disappeared from in front of Highlands Plumbing.

replacement for Chuck and, while he doesn't quite measure up to the original, the new scarecrow has filled-in admirably.

The scarecrows are part of The Times sponsored promotion in the Minden area in which area businesses are encouraged to create a scarecrow (or mannequin) design in front of their place of business. It is hoped the displays will attract visitors to the community. The promotion appears to be working as over 55 scarecrows are now in place throughout the area. Some summer bouquets

Hats off to Don and Opal Crowe for the Caring Canadians Award announced last week. They are worthy recipients of this special honour which recognizes their many years of service and assistance to the community.

Don and Opal have found many avenues for their good works and philanthropy. They served the community through the local service clubs, Kinsmen and Kinettes and continue that effort through participation in the K-40 Club. Equally important, however, has been the generosity they have shown as individuals and through their corporate presence, Kawartha Dairy. Always willing to help and never seeking the lime-light for their efforts, they have been a quiet supportive force behind many projects, fund-raisers and other events in our community. We are

pleased to note it is an attitude which they have shared with their sons and the employees of the family business.

So, congratulations to the Don and Opal Crowe on a the well-deserved recognition. We hope their example will serve as an inspiration for others in our community.

We have a couple of other bouquets to distribute this week:

- The members of the Minden Home and Garden Tour deserve a pat on the back for another successful event this year. The tour attracted hundreds to our community and gave them an opportunity to visit some of the special homes in the area and a chance to see some of the beautiful country-side which makes the Highlands such a special

place to live. As well, this volunteer effort contributed \$5000 to the hospitals capital Building Fund. Congratulations to everyone involved.

- A small miracle has taken place on Lake Kashagawigamog, thanks to the dedication and hard work of John and Mary Hincks. Working with a small group of volunteers, they have resuscitated the Lake Kashagawigamog Organization (LKO). Several years ago LKO was about to be given up for dead. That turn of events was surprising considering that Kashag is one of the bigger lakes in the county. Through persistence and a genuine concern for the future of the lake, they have convinced others that LKO was worth preserving and so it thrives today, thanks in large measure, to the efforts of John and Mary Hincks.

Reeve's motives questioned

Editor:

A few remarks made by the Reeve at the closing of Laxton, Digby and Longford's council meeting of July 29 have certainly caused some excitement. Although not clear to the public or some other members of council at the time, the Reeve's remarks seemed to be directed towards Councillor White. They were along the lines that 'I have obtained a legal opinion as to what constitutes disqualification under Section 37 of the Municipal Act.'

I believe he said that you must be a land owner or registered tenant of land to be an elected official. His legal opinion was that, "tenant of land" means you are registered to the deed and not just a resident. He indicated that someone could take a councillor to task and have him disqualified from council.

Section 36 of the Ontario Municipal Act states that every person is qualified to be elected or hold office as a member of a council of a municipality;

(a) who is entitled to be an elector under section 13 or 14 of the Municipal

Elections Act for the election of members of the council; and

(b) who is not disqualified by this or any other Act from holding such office

The Municipal Elections Act states that;

an elector is eligible to register if he or she is: a Canadian Citizen; at least 18 years old on election day; and; ordinarily resident in the electoral district.

Councillor White and all the other members of council meet these tests. I wonder why the Reeve felt it necessary to seek a legal opinion? I have been told that four members of council could not recall voting on a motion approving the expense or asking the Reeve to get this opinion.

It is no secret that Councillor White is a thorn in the side of the Reeve. I wonder if this is a ploy to remove the thorn? On July 27, Councillor White, with the approval of three other Councillors, requested a special meeting of Council to address these issues. The meeting was called for Thursday, July

29 at noon.

On July 29 at 12:18 the meeting was opened. A motion was made that Councillor Diebel chair the meeting as both the Reeve and Deputy Reeve were not in attendance. Councillor Diebel accepted the chair. Councillor White made a motion directing the Deputy Clerk to ask the Reeve to produce copies of this legal opinion about any members of council. And, he wished to know who authorized and is paying for this opinion.

All the council members were duly elected and represent the taxpayers. Councillor White is honest, intelligent and adds professional credibility to the Council. Do I detect a little jealousy here? I wonder if the taxpayers are aware of what goes on at council? It is too bad that this type of politics has to be engaged in. In my opinion, it does little to boost the Reeve's image.

Let's get on with the job of running local government and stop the infighting.

Write letters to protest gas prices

Editor:

Pulled into the gas pumps lately? Noticed any sweeping, galloping changes in the prices? I would think so.

Once again the consumer is being royally gouged by the gasoline companies and seemingly being upheld by our government. These gasoline companies realize that they can do pretty much as they wish without fearing any type of consequence. The government realizes that they have a real large "Cash Cow" with the amount of money they are

collecting in the form of taxes from these companies.

How can the public, who elected these people, impress upon them their distinct displeasure with these most recent price increases? Let us not roll over and play dead, yet one more time. Let us let our MPP and MP know how we feel and demand that something be done. We have to do more than just gripe about it. To get the message through to our representatives, we must inundate them with repeated letters reminding them that

there is absolutely no justification for these major gasoline price increases. We, the consumers, we have been gouged once too often.

Maybe, they will get the message, (but we have to do something more than complain about it.)

Start writing those letters today.

Catherine and Gareth K. Kellett,
Minden.

Tax cuts started July 1

As part of the broad-based tax relief announced in the last two budgets, the 3 percent surtax was eliminated as of July 1. Also effective July 1, the amount of income Canadians can receive tax-free will be increased by \$175 to \$675 for all taxpayers. This will raise the basic amount to \$7,131 and the spousal and equivalent-to-spouse amounts to \$6,055.

Ottawa report

by John O'Reilly, MP

The 1998 and 1999 budget measures mean that a typical two-earner family with two children and an income of \$50,000 will have its taxes

reduced by \$550, or 15 percent. The tax burden on a typical one-

earner family with two children and an income of \$30,000 will fall by \$500, with the result that it will no longer

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

The sounds of silence

I have a rather unusual request to make of you: I want you to stop reading.

Just for a moment. Put the newspaper down, close your eyes...and open your ears.

How many different sounds can you make out?

If the answer is 'none' you're a fortunate soul - and a rare one.

I'm travelling on a BC Ferry as I type these lines. I can hear three or four different conversations going on nearby. I also pick up the hiss and thunk of a door to the outside deck opening and closing; the riff of a deck of cards at a table across the way - and of course, the bass line throb of the ship's diesels.

I can also hear, if I listen really hard, the monotonous hum of fluorescent lights and the fellow beside me turning magazine pages.

Not to mention the sound of my breath.

The weird thing is, I'm in a relatively peaceable oasis, as modern environments go. People around me are reading and dozing and writing letters.

But their brains are recording the same sounds my brain is recording - perhaps more.

You have to wonder what all this superfluous noise is doing to our health.

Nothing good, according to experts. Studies show that nearly 10 percent of all adult North Americans are suffering

some permanent hearing loss - and the figure rises to 25 percent for folks over 65. The doctors reckon that regular exposure to loud noise is one of the chief causes.

And it's not just our ears that suffer. These bodies we all lug around were built to Cave Person specifications. That means whenever they hear a loud noise, they go on Red Alert. Every time a horn honks, somebody yells or a moron with a boom box stereo in his car drives by our bodies react as if a sabre-toothed tiger just strolled by the cave mouth. The blood pressure shoots up, the heart starts pumping, muscles flex, respiration increases, little jolts of adrenaline spurt into our bloodstreams.

This happens even when we're asleep.

And noise is almost impossible to escape. You go to a mall, you get piped in Muzak. Sit in the dentist's waiting room; he's got the sound system tuned to the local country station. I phone up the local bus company and a recording tells me all the operators are busy but I should 'hold' for the next available agent.

Then the company bombards me with a list of every bus schedule in the province.

Shaddap, already!

The sad thing is, a lot of people fight back by cranking up their own noise level. We turn up the TV to drown out the sound of an argument in

the apartment next door. Joggers and skiers clamp Walkman headphones on their skulls before they hit the trail.

Odd, how we just roll over for noise pollution. If someone spat in our coffee or lit a smelly cigar, we'd go ballistic. But mufflerless motorcycles? Blatting lawnmowers? Some jerk yakking on a cellphone at the next table? We just shrug.

Perhaps not for too much longer. Noise is not only bad for our health, it's bad for the bottom line. The San Francisco Chronicle now publishes 'bells' beside its restaurant reviews, indicating the noise threshold of various eateries.

And recently, Northwestern Mutual Life Company of Milwaukee decided to set aside two weeks of the year - one in December, the other in May - during which employees in the home office would not have to answer their phones.

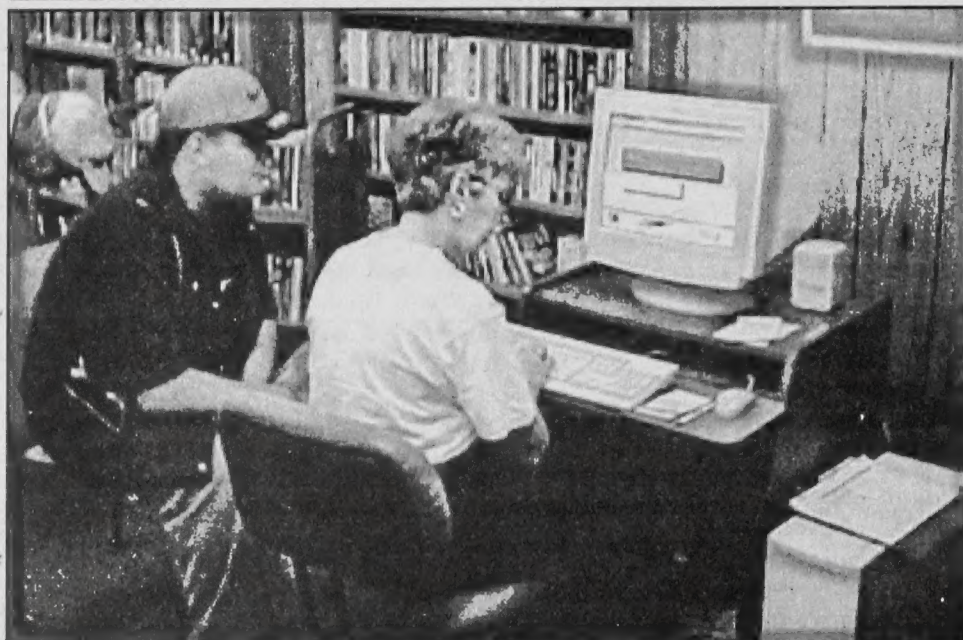

The employees got so much more work done in those two weeks the firm decided to make every Wednesday a Quiet Day. Productivity shot up by 20 percent.

It may be a long time before your boss and mine see the sexiness of silence. In the meantime, we can help ourselves. A Harvard University cardiologist says that just spending twenty quiet minutes alone twice a day, decreases blood pressure, lowers the heart rate and increases the flow of blood to the brain.

Plus, it just feels so damn good, listening to nothing
Nothing at all.

pay any net federal tax.

With the budget balanced, we have begun the process of getting taxes down for every Canadian. We intend to continue bringing taxes down as quickly as possible without going back into deficit, but we will do so at the same time that we invest in core priorities, such as health care and education.

Other changes effective July 1 include:

- low-income families with children will receive higher payments as the maximum level of the National Child Benefit (NCB) supplement goes up by

\$180.

- maximum payments under the Canada Child Tax Benefit (CCTB) will reach \$1,805 for the first child and \$1,605 for each additional child.

- the supplement will rise by a further \$170 in July 2000.

These tax changes will put more money into the hands of families with children - a key priority for the federal government.

PEEWEE CHAMPS: The Coby Cardinals capped an undefeated season by winning the Peeewe championship of the Victoria-Brock Baseball Association. They are, front row (l to r): Drew Yeo, Ryan Watson, Brady Liscombe, Travis Magee and Mike Dean. Standing (l to r): Coach Bob Dean, Allan Francis, Brett Davey, Ian Watson and Will Francis. Inset, left, Assistant Coach Bill Francis; inset top right, Justin Traill; bottom right, Mike Janke.

Cardinals win championship

by Jerry Grozelle

There have been a few close calls for the Coby Cardinals Peeewe baseball team this season, but each time, they came through in the crunch. The same was true in the Peeewe championship tournament of the Victoria-Brock Baseball Association, held in Coboconk on July 24 and 25.

After winning their first two games of the tournament, the Cardinals earned a berth in the championship final. The title game saw the Cardinals build a 15-3 lead going into the last inning. It looked as though they would coast to an easy victory over Woodville in the final game. But the Coby team had to work to preserve the win.

Woodville managed to close the gap to 15-10 before the Cardinals got the third out. Brady Liscombe took over on the mound from Ian Watson midway through the last inning for the save.

"The boys had a really good year," said coach Bob Dean. "I'm quite proud of them. I was pleased with the boys all season. They conducted themselves well. They were committed to playing and committed to winning."

Dean said the pitching played a major role in the team's success this year. The Cardinals went undefeated throughout the entire season.

"I think our pitchers pulled us through," he said, noting that none of the teams they faced were able to hit against the Coby pitchers as well as other teams' hurlers.

"They're a good bunch of kids," Dean said. "They deserved it."

Dean sends out a special thanks to assistant coach Bill Francis and to Brenda Liscombe, who assisted with paper work and organizing the team schedule and the tournament.

ASES students win MNR guided fishing trip

A half dozen students from Archie Stouffer Elementary School spent the day fishing on July 27 on a secluded lake that doesn't see much fishing pressure. The students were participants in the Minden Ministry of Natural Resources' annual Poster Contest. The three winners of the contest each brought a friend for the fishing adventure.

Nikki Manuge, Brandon Viney and Tyson Farrell were the poster contest winners and they took along friends Kylie Clark, Brandon Parker and David Stewart.

The young anglers had some experienced guides for the expedition. Minden district conservation officers Tim Rochette, Steve Murray and Bob Gater, along with Haliburton Highlands Outdoors Association president Larry Hewitt, guided the students for the day.

"They had a great day," said Rochette. "Everybody caught fish."

The event is a prelude to the MNR's Take a Kid Fishing Week, which officially started yesterday (August 1).

The contest participants had three themes from which to choose for their posters. They included, "Don't Keep Too Many Fish," "Is The Season Open?" and "Don't Harm Fish Habitat."

A total of 52 of the 80-plus ASES Grade 5 students participated. The program alternates between the Grade 5 students in Minden and Haliburton.

ANXIOUS ANGLERS: Six ASE students and their guides posed for a photo before leaving for a day's fishing. Pictured, left to right, are: Conservation officer Tim Forchette, Tyson Farrell, Brandon Packer, David Stewart, HHOA president Larry Hewitt, Brandon Viney, Nikki Manuge, Kylie Clark and conservation officer Steve Murray.

The young anglers learned the value of catch-and-release fishing. All of the bass they caught were released and only a few walleyes were kept for a shore lunch. Veteran conservation officer and shore lunch cooker Bob Gater demonstrated his culinary skills with a Coleman camp stove.

Minden Home Hardware, Minden Live Bait and Tackle and the Haliburton Highlands Outdoors Association donated fishing tackle and bait. Hewitt gave each of the anglers a hat with the

HHOA logo and he supplied one of the boats that was used for the day. The other two boats were supplied by

Young anglers learn techniques and responsibilities

the MNR.

Take A Kid Fishing Week was initiated by the MNR in 1997 on the advice of the provincial Fish and Wildlife Advisory Board.

"Taking kids fishing is about giving them a head start on the responsible use and stewardship of Ontario's lakes and streams," said Natural Resources Minister John Snobelen. "The future health of Ontario's fisheries depends on our kids."

The idea behind Take A Kid Fishing Week is to introduce youngsters to the joys, challenges and responsibilities of sport fishing.

Anyone who fishes is encouraged to take a kid fishing during this time period. MNR officials suggest this is "a great opportunity for young people to be involved in a fun and practical way with the province's aquatic resources."

For people with little or no fishing experience, an information package is available at MNR offices. The package includes a how-to booklet on taking kids fishing, a sticker, a personalized certificate, information on how to catch the 1999 "Fish of the Year" and a fish identification card.

All fishing regulations apply during the Take A Kid Fishing Week and licences are required for anglers aged 18 to 64.

CHEF GATER: Minden District CO Bob Gater was the shore lunch chef for the fishing expedition that was won by ASES students in the MNR poster contest.

**THE WALLS GO UP:**

BJ Connelly, Michael Shirley, and Grant Hutchinson were a few of the volunteers who helped put the walls up at the new stage area at the Minden Fairgrounds.

Saturday's rain was a temporary setback.

The group is determined to have the stage complete for the fair in late August.

Antlerless deer validation tag draw deadline here

If you have put off applying for your antlerless deer tag you have only a matter of hours left to apply by telephone. The deadline for applying for the antlerless deer validation tag draw is August 3.

"We continue to enhance deer hunting opportunities and harvests in areas of the province where expansion is sustainable," Natural Resources Minister John Snobelen said. "The gun and archery seasons have been increased by a combined total of more than 1,400 days since 1996."

All hunters who wish to hunt for antlerless deer must first have a Resident's or Farmer's Deer Licence. These can be obtained from licence issuers throughout the province or through using the telephone application and licensing system by calling 1-800-288-1155.

After obtaining a valid deer hunting licence, hunters must then enter a draw for a validation tag to hunt antlerless deer.

Those who have purchased a deer hunting licence from an issuer can submit the paper application attached to the licence. The application must reach a ministry office or the address on the back of the application by 5 p.m., Tuesday, August 3, 1999.

Those who use the telephone application and licensing system can apply for the draw at the same time they purchase their licence by telephone. The deadline is 11:55 p.m. (EDT) Tuesday, August 3 for hunters using the telephone application and licensing system.

Applications received after the deadline will not

be entered in the draw.

Due to recent changes in the deer seasons, applicants should take extra care in filling out their antlerless deer draw applications.

The application to hunt for antlerless deer is not an application for the Controlled Deer Hunt Valida-

tion Tag draw. The deadline for the controlled deer hunt draw is August 31.

Information on the Telephone Application and Licensing System is available in the Fall 1999-Spring 2000 Ontario Hunting Regulations Summary and at MNR offices.

Quilts & a Carnival

Rotary Carnival

Fun was the name of the game at this year's Minden Rotary Carnival at the Minden Community Centre. From the midway to the petting zoo, children, moms, dads, grandparents and everyone in between had plenty to see and do at the event.

The Rotary Club of Minden made sure that there wasn't a dull moment at this year's carnival, which included children's games, face painting, a dunk tank, the OPP roll over simulator truck, a petting zoo, games of chance and a midway, along with the traditional carnival food. BBQ chefs Charlie Muli and Maryland residents Mike and Dianne Jones made sure everyone had enough to eat.

The weather was perfect for the carnival and hundreds of local residents and visitors alike had a chance to enjoy themselves.

Quilt, Rug and Fibre Arts Show 1999

Left: Carol Mumford, of the Brampton Quilters Guild, along with Marg and Jacy Thibeault inspect the detailing of just one of the many quilts on display. Visitors were asked to wear gloves in order to protect the fabric.

Right: This quilt, entitled Bluebird, was created by Esther Graham of Irondale.

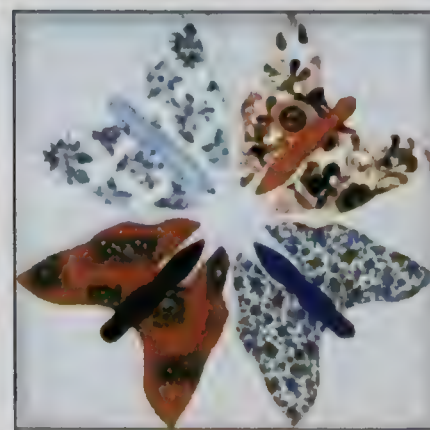

Bottom right: Butterflies circa 1975, by Velma Stiver.

Below: Jean Bolt demonstrates spinning.

The inclement weather on Saturday may have hampered sun lovers plans, but it did not deter quilt and fibre arts enthusiasts, as they headed out in droves to enjoy this year's Quilt, Rug and Fibre Arts Show at the Minden Community Centre.

Dozens of quilts, hooked rugs, supplies, and displays delighted those in attendance. Everyone had a chance to win a quilt valued at \$1000, which was anonymously donated to the show as a fund raiser. The show was a chance for experienced quilters to get together and discuss the tools and techniques of the art, as well as entice newcomers into the craft.

Stolen property is exceptionally 'hot'

The following report is a summary of events compiled by the Highlands Detachment of the Ontario Provincial Police.

Thieves who stole items from a construction trailer near Dorset may have an item that is a little hotter than they anticipated.

On July 30, police were called to the scene of a break and enter on Highway 35, south of Dorset in Sherborne Township.

Stolen from the trailer July 29 was a Troxler nuclear gauge device used to measure rock density. It is described as being in a yellow plastic case, three feet long and 18 inches deep, with a handle in the middle and two on either end. There is also a hinge at the top and radioactive symbol on the instrument.

The public is advised that the instrument is a rugged tool containing a potentially harmful radioactive source.

Anyone finding the device should not tamper with it or push the handle on the device, but should contact the OPP immediately.

Also stolen from the trailers were two Spectra Physics Blade Pro System lasers. They are described as yellow mountable devices used for measuring the slope of a grade.

As well a photocopier, laptop computer, a PC, and printers were taken from the location.

If anyone has any information about this or any other incident, please contact the Ontario Provincial Police at 1-888-310-1122, the Highlands detachment at 286-1431, or Crime Stoppers anonymous reporting at 1-800-461-TIPS.

Male charged with assault

The police investigated an incident on Kawagama Lake Road in Sherborne Township on July 25.

At 9 p.m. a 10 year-old girl called the OPP and advised that her father was allegedly beating her mother. Officers responded and arrested a 44 year-old Markham man for assaulting his 42 year-old wife. Three children aged 10, 12 and 15 were present at the cottage.

The male had returned to his cottage, apparently under the influence of alcohol, at which point his wife locked the door of the cottage preventing him from entering. She later opened the door for him at which point he enter and allegedly began the assault.

The male party was arrested and charged, he was further held for a bail hearing on July 26. His wife

did not require medical attention as a result of the assault.

Break, enter and thefts

A 1950's Allis-Chalmers tractor was stolen from a cottage on Redkin Drive in Guilford Township, since the end of May.

Police investigated a theft on July 27, from a cottage on the fifth concession in Stanhope Township. Stolen from the dock, sometime overnight, was a 25 horsepower Mercury motor with electric start.

A boat and two motors were stolen from a cottage on Lake Kashagawigamog in Dysart Township on July 27. Three boats and motors were taken from a cottage on Kashagawigamog in Dysart Township. The items were stolen sometime on July 27. A paddle boat was also taken from a cottage on Beach Bay

Road in Stanhope Township.

The Haliburton United Church was broken into on July 27. The investigation by police revealed that the suspects entered through a window. Stolen was \$350 in cash and cheques, and some batteries.

OPP investigated a break-in at the Ingoldsby Junction Store on County Road 18, July 29. Investigations revealed that the front window had been smashed and it is believed that cigarettes were stolen. The tracks of a three-wheeled all terrain vehicles were noted on the scene.

A 1995 Honda xs 250 three wheeled all terrain vehicle was stolen from a cottage on Davis Lake Road in Minden Township. The tracks led onto Horseshoe Lake Road, then onto a trail.

**NORTHERN LIGHTS
PERFORMING ARTS
PAVILION**

The final curtain has closed. The final bills are being paid. It is with great pleasure that we, the producers of the Northern Lights Overture, now fulfil our final obligation and show our appreciation for the many people who helped make this production such a huge success.

Thanks, first of all, to the steering committee for their tireless efforts for the past twelve months. Your hard work resulted in a seamless production from the sale of the first ticket to the closing of the final curtain and everything in between.

Thanks to the many performers. Never before have the Highlands seen such a diverse selection of entertainment all in one place. Despite varying degrees of experience on stage, each of you displayed a high degree of professionalism resulting in a truly unique spectacle worthy of our incredible new facility.

Thanks to the backstage and technical crews. It was an incredible accomplishment to learn and master so much about the pavilion in literally days. Added to this was a show of unprecedented technical complexity and still, everything was done to perfection. When you perform so well, the audience barely realizes that you are there but never doubt the appreciation of the performers or our own sincere gratitude.

Thanks to our audience, who bought every ticket and in the end gave us our Applause, Applause. It makes everything worthwhile. Thanks, finally, to our community, whose generosity and dedication made this facility and thus this production possible.

Remember that this was the Northern Lights Overture and, like any overture, was merely a sampling of bigger and better things to follow. May those future producers be blessed with the same dedication of purpose and the same quality of people.

Sincerely,
Christine Lynd
Curtis Eastmure
Producers of the Northern Lights Overture

Thank You

I would like to take this opportunity to thank my friends and family for all the support and love that they have given me over the past year. I would especially like to thank Don & Glenn Hall for holding my job for me, Don Barker for being so understanding when I needed Dan by my side, Ann Barker for the soup when nothing else would stay down. Thank you to the Kernohan family for taking great care of Daryl and to all who pitched in to get him to hockey. To my in-laws for their help and support, my brother for all your endless hours spent at the hospital and making sure I had everything I needed. To my Nana for her love, my Dad for coming from Kentucky, to my sister for her book of encouragement. Dr. Feracutti, his staff, the VON nurses, the doctors and nurses at the Minden Hospital and especially to Dr. Cohen and his surgical team and all the nurses at Mount Sinai Hospital. To my boys who have had to endure a lot over the last year. To Daryl who can always manage to make me laugh (even when it hurts). To my mom, for being there for me always and for telling the nurses and doctors how to do their jobs when sometimes they would forget. To my husband, my soulmate, through all the surgeries and complications you held my hand, wiped away my tears, changed dressings, fixed IV's, stayed with me through the nights that I was too afraid to sleep. You made endless trips to the doctors and hospitals. For a year you have cooked, cleaned, done laundry and made sure the boys got where they needed to go. But most of all I will remember your constant encouragement and teaching me to deal with one day at a time. I love you! This time has brought me closer to my friends and my family and also to my God. I thank God for knowing which prayers to answer and giving me all the family and friends that have got me through the last year. I am a different person than I was a year ago, so if you pass me on the street, I will be the one smiling, taking the time to smell the flowers, saying hello to the people passing by, enjoying good books, good music and life. I still have a ways to go, but now I know that I will get there because of all your help. My sincerest thank you!

The Art of Building Better Homes

There are many reasons for selecting Royal Homes Minden to build your new home or cottage. With thousands of satisfied customers, Royal Homes has earned a well-deserved reputation for service and quality in the home building field. Proprietors Steve and Cam Berry will carefully guide you through the selection process, allowing you to design the home or cottage of your dreams. Here are some other reasons to consider to Royal Home Minden before making that new home decision:

- **Quality materials:** Royal Homes uses only the finest building materials and well known brand names. Our large purchasing power means competitive pricing for you.
- **Craftsmanship:** With dozens of building professionals working on your home under one roof, you are guaranteed the highest standards in workmanship.
- **Convenience:** Royal Homes Minden offers unparalleled convenience with our one-stop shopping Sales Centre. All design, colour selections and consultations are done in one location with a qualified Sales and Design Consultant to assist you.
- **Protected Materials:** Construction takes place indoors so building materials are never exposed to the elements. This eliminates problems which could arise with traditional construction practises.
- **Guaranteed Price:** No surprises! There are no cost over-runs. Budgeting is easy because even before we start to build your home you know the price and it is guaranteed!
- **On Time Completion:** Our indoor building process assures you of on-time delivery because we are in full control. We hire all subtrades and co-ordinate with you, eliminating worry and concerns for you.
- **Complete Job:** Once you've made your choices, we look after everything for you. In addition to delivering the finest home, our crews will construct the full basement foundation, install your heating, electrical and plumbing services.
- **Custom Floor Plans:** Your plans or ours? Choose one of the designs from our extensive catalogue or let us help you customize a floor plan to match your lifestyle. Quickly and easily we can enlarge the dimensions of your home, increase the number of bedrooms or bathrooms.

Let Royal Homes, Minden help you to create that home in your dreams.

• **Energy Efficiency:** Royal Homes is known throughout the industry as a leader in energy efficiency. From the R2000 program to insulation and air sealing factors that exceed the building code, everything is done to ensure your home is warm, cozy and efficient to heat and cool.

• **Leader In Technology:** You can be assured that Royal Homes is continually investigating new home building technologies. The World's First Modular Smart House, designed by Royal Homes, is currently on display at our Toronto Sales Centre. Royal Homes has been selected to build the National Home Show's luxurious Dream Home for two years in a row.

• **Service:** At Royal Homes we take great pride in our Service Department. Any one can sell you a home, but will they be there when you need them? Royal Homes' good reputation is based on quality service.

• **Warranty:** Royal Homes offers a full ten year structural warranty on every new home. We believe we sell the best home in the business, so it only makes sense to back it with the best warranty in the business.

nium fund. The additional money will be in the form of in kind contributions, and kiosk advertising space.

As well, the remaining funds will go towards the production of high quality brochures that will outline the various activities available in the area. There will be one general pamphlet, as well as other specific brochures on hiking and other activities.

The Algonquin Snowtrail Alliance will receive \$30,000 for the marketing of snowmobile trails and the Highlands as a winter wonderland for snowmobile enthusiasts. The money will go towards the creation of a map, a winter newsletter and promotional opportunities at snowmobile shows in Michigan and New York State to boost American ridership in Haliburton. The ASA is a network of snowmobile clubs that includes the Haliburton County Snowmobile Alliance, the Maple Leaf Snow Skimmers, the Paudash Trail Blazers and the Whitney Madawaska Nighthawks.

Hot weather depleting lake levels

The following report was issued by the Trent Severn Waterway staff on July 27.

As the recent dry weather continues, flow cuts throughout the waterway are being made to retain water levels.

The Haliburton area lakes

continued to decline from 79.2 per cent to 74.7 per cent average for the week. This 4.5 per cent drop is more than the average drop per week of 3.5 per cent.

This is just one signal that the recent weather has been hotter than usual.

This draw-down is helping the waterway maintain flows and water levels adequate for navigation.

Thanks to the small amount of rain received July 24, the Kawartha Lakes have maintained their levels. With more dry weather in the forecast, ex-

tra care is being taken to ensure that no water is wasted.

Lake Simcoe-Couchiching dropped slightly from 218.96 m. on July 19, to 216.2 m on July 26. It is now two centimetres below the rule curve for this time of year.

Victims assistance service may be forced to close

-submitted by
V.C.A.R.S.-

Victim Crisis Assistance and Referral Service (V.C.A.R.S.) may be forced to close at the end of August due to funding cuts.

VCARS is a non-profit registered charitable organization which provides immediate short-term emotional support, practical assistance and referral service to victims of crime or tragic events, i.e. sexual assault, spousal assault, motor vehicle accident, sudden death, property crime, etc. This 24 hour volunteer program is available to all victims, within the boundaries of Victoria and Haliburton Counties, in partnership with Victoria County OPP, Haliburton Highlands OPP and the Lindsay Police Service.

Trained volunteers respond immediately, at the request of a police officer and on consent of the victim, to attend at the location they are needed: accident scene, victim's residence, hospital, etc. Since this is not a counselling service, victim's are provided with referral information, to obtain longer term support and/or counselling, from existing community agencies/services.

VCARS has been fully operational in this community, 24 hours per day, 7 days per week, since July, 1996. Presently 21 trained volunteers and one volunteer Coordinator provide this service in our community through pager contact with police. Additional trained volunteers, from both counties, are desperately required however lack of financial resources has prevented expansion of the volunteer base.

This valuable service for the residents and visitors of Victoria & Haliburton Counties may be forced to close August 31, due to lack of provincial government support.

Funding for victim service programs, in other areas of the province, is provided from the Victim Justice Fund which is a 15% victim fine surcharge added to all fines in the province of Ontario. Funding for immediate victim assistance is (more on page 25)

VILLAGE GREENERY: The Kinmount Economic Development Committee is continuing its quest to beautify the village. In recent weeks, new flowerbeds have been added and trees planted. The Bank of Montreal has provided \$1,000 in funding for the project. Tom Lang, owner of the Kinmount Independent Grocer, is seen here beside the planter on the store property.

YOU ASKED?????

- Q. WHERE IS THE SEPTIC TANK USUALLY LOCATED?
- A. IT IS NORMALLY 5-8 FT. OUT FROM THE BATHROOM BUT IF IT IS AN OLDER SYSTEM, IT COULD BE ANYWHERE. MOST ARE ABOUT 8"-12" UNDER THE GROUND BUT THEY CAN ALSO BE DEEPER. TO AVOID EXTRA COST, IT IS RECOMMENDED THAT YOU HAVE YOUR TANK DUG UP.

Chances are still good in Minden Skating Club draw

It is last call for anyone wishing to take part in the Minden Skating Club's Elimination Draw.

The evening of entertainment during which the tickets will be drawn is scheduled to take place this Saturday at the Minden Community Centre. Each ticket includes admission to the buffet and dance and a chance to win one of the many prizes offered.

In an elimination draw, all tickets purchased are potential winners. Starting at 7 p.m., tickets will be removed from the draw drum, with cash prizes awarded to tickets drawn at specified points in the countdown to the final ticket. The grand prize of the

Linda Harvey of Little Hawk Lake was the winner of the second early bird draw in the Minden Skating Club's Elimination Draw. She was presented with her \$400 prize by club representative Joachim Matysek following the draw on July 8. The final draws in the raffle will be held this Saturday evening at the Minden Community Centre.

evening of course, is saved for the last ticket

in the drum. The holder of that ticket will win \$10,000.

Joachim Matysek is a Skating Club spokesman. He noted that the raffle was limited to 800 tickets and, while not all the tickets have been sold, the club has recovered its

costs and covered the prize expenses. He pointed out, however, since all of the tickets are not sold, the chances are even better for those included in the draw. Tickets at \$50, are available from skating club members.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-6/99

Take Notice that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop-up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

Firstly: ALL and Singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 7, Concession 12, and being more particularly described as Part 13 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6511.

The Proposed By-Law will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 26th day of August, 1999 at the hour of 7:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

Dated at the Township of Lutterworth this 26th day of July, 1999.

not from tax dollars. Although the Ontario Government advocates and states quite clearly that victim service is a priority, this does not appear to be the case in Victoria and Haliburton Counties.

The former CAP (Crisis Assistance Program), in Haliburton County, was forced to close several years ago due to lack of provincial government funding. The Haliburton program utilized the same Ministry of the Solicitor General Volunteer Training Standard for victim assistance as this present VCARS program.

Funding for new victim assistance sites has not been available, in the province of Ontario, for over two years.

In the fall of 1998, the Office for Victims of Crime was established and mandated to provide recommendations to the Ministry of the Attorney General regarding improvements to victim service provision in the province.

Interim funding, from January of this year, for this local VCARS program was arranged by MPP Chris Hodgson through the Ministry of the Solicitor General. This was intended to sustain this program until the Office for Victims of Crime consultative process was complete. (The original completion date was to be spring '99.)

Unfortunately, this process has been delayed and subsequently funds for new victim service sites have been frozen for two years. This local program will be forced to close if full immediate funding cannot be arranged by August 31.

The Volunteers and Board of Directors, of VCARS for Victoria and Haliburton Counties, are confident

that Chris Hodgson will be able to access funds before August 31 to ensure the continuation of this program. Fund-raising events are being initiated to allow Mr. Hodgson some time to access funding to prevent the closure of VCARS in this community.

Contract awarded for Highway 35 upgrade

The construction on Highway 35 near Dorset is one step closer, as MPP Chris Hodgson and Transportation Minister David Turnbull announced last week that the resurfacing contract had been awarded to a Bancroft company.

"Ontario's roads and highways contribute to the economic prosperity and quality of life we enjoy in Ontario," said Turnbull. "We are committed to ensuring that Ontario's highways continue to meet the needs of Ontarians."

The \$3.2 million contract was awarded to J&P Levesque Bros. Haulage Limited of Bancroft. The project is for selective resurfacing on Highway 35 at various location from 0.8 kilometres north of Dorset, located at the junction of Highways 35 and 117, southerly for 20.6 kilometres to Pine Springs.

"Highway 35 is one of Ontario's key vacation and tourist routes. Upgrading this stretch of highway will create construction jobs, support Haliburton's tourist base and improve road conditions for everyone," said Chris Hodgson.

Work on Highway 35 is scheduled to begin this summer, with completion in November 1999.

Residents enjoy a day at the lake

Hello everyone. Good to sit with you again and tell you our latest news.

Although the temperatures have been very high we want to let everyone know how well we are being looked after. Lots of ice water, juice etc. and the fans are going..... The staff has taken good care of us and we want to send our thanks to them.

Plans were changed last Thursday. The special trip for those residents who do not get out much was rescheduled. The day would have been just too hot for them. Instead, a group of about 20 of us were invited to the home of Jack and Ruth Worthington on Horseshoe Lake. What a wonderful location they have. As soon as we got there and were settled in the shade, the loons greeted us. It was just great to sit by the water enjoying fruit juices and ice cream. The water was very tempting and Hazel Whittaker was seen paddling with Linda. Ruth brought out her keyboard and she and Jack entertained us with their music. What a fun time we had and we thank them very much for their hospitality. Also our thanks to the staff and volunteers who were with us. They certainly made this lovely venture possible.

The following afternoon we welcomed the Grandfathers to our Happy Hour. While we were enjoying the music we were introduced to "Darlene". She is our newest resident and it didn't take her long to get "friendly" with the band. What a flirt! Guess we better let you in on our secret. "Darlene" is our resident scarecrow. She is now sitting outside our front entrance waiting to greet all the visitors. However we think she is there to keep an eye on all those construction guys. Like we said, she's a flirt.

Our weekend was fairly quiet, just a few visitors in. We were pleased to have John Burgess here to spend time with us and we send him our thanks. On Monday afternoon the rescheduled "special" bus trip took place. A few of our residents who do not usually

participate in these activities were taken on a short tour of the surrounding area and before they headed back home they stopped at Splish Splash 50's Diner for some ice cream.

Father Fellion was unable to be here for our chapel service on Tuesday but we were very pleased to welcome Mark Stag in his place, and we thank him for coming. That evening we were very pleased to have "A Joyful Noise" here with

great gospel music.

Yesterday afternoon it was time for our men to be pampered, and, as we mentioned before, they really are pampered. It was T. L. C. time and of course they just sit back and enjoy every minute of it. Who can blame them? Last night Gord Kidd was here for our weekly Pub Night. We thoroughly enjoy his music and appreciate him being here.

Today we are to have our Birthday Tea Party. The Carnarvan U. C. W. is scheduled to host and we look forward to having them here.

Before we go we must mention that we are pleased to hear that Jean McDonald is feeling better and also Nellie Ranson is on the mend and expected to be back with us soon.

Our construction is going great guns. Walls are shooting up and things are really taking shape. It will be just great when everything is finished.

Hope you all have a good week. Take care and we will talk with you again.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-5/99

Take Notice that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop-up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

Firstly: ALL and Singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 7, Concession 12, and being more particularly described as Part 14 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6511.

The Proposed By-Law will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 26th day of August, 1999 at the hour of 7:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

Dated at the Township of Lutterworth this 26th day of July, 1999.

Around the County Town

by Nora Snyder (call 286-4450)

Of course the biggest question of the day is, "How are you surviving this heat?" My answer is, "Not very well". The comeback is, "It's better than freezing in the winter", with which I heartily agree, but I don't like being drained of energy for such a long time!! On the other hand, it is a wonderful summer for a holiday!! It is great seeing so many people up here enjoying themselves. There is so much to do!!

The Fabric and Quilt Show was the big event last weekend; garage sales everywhere; all the events of the long Civic weekend; half way through the prime summer months; facing the glorious days of August along with the cooler nights!!

Morris Duff has just returned from camping with his daughter and his two grandchildren in Quebec. While at La Maurice National Park, the four were having lunch in an outdoor restaurant in a nearby city. The local member of parliament, who had been eating inside, paused to shake hands with the outdoor diners when he emerged. Discovering that the Duffs were visitors from Ontario, he paused to chat for more than five minutes. They, of course, had instantly recognized the politician, who likes to call himself, "the little guy from Shawinigan"!!!

In Kinmount on August 14 and 15, the Kinmount Artisans' Market Place is hosting a two session workshop of beginner twig furniture by Sandra Weyrich from "Twig Art". On Saturday, August 14 and Sunday August 15 the class will run from 1 p.m. to 4 p.m. All materials to make the twig planter will be supplied, Fee is \$30. Call 488-2938 or 488-1414 to reserve your spot. The Market Place is located at Highway 121 and Highway 45, just up the hill.

Visiting old friends over the holiday weekend were Joan Hatkoski from Scarborough, son Michael, his wife Lorena and baby Michael Jr. Michael and his family have been living in Guadalajara, Mexico and are leaving there for the cooler climes of Zurich, Switzerland.

A reminder of the "Garden Wedding", the Minden and District Horticultural Society's 20th Annual Flower Show, on Thursday and Friday, August 5 and 6, at the Minden Community Centre. On Thursday the show is open from 7 p.m. to 9:30 p.m., and on Friday from 10:00 a.m. to 2:30 p.m. Admission is \$3, children under 12, free.

Also a reminder of the Minden Horticultural Society monthly meeting on August 3, upstairs at the Community Centre at 7:15 p.m. Gayle Rowan is the guest speaker, talking about harvesting wild fruits for jams and jellies and how to preserve them. Samples will be available and products to buy. Everyone is welcome for this interesting evening!!

The friends of Helen

Burton, wife of Jim Burton, will be interested to know that following her recent accident, Helen has been admitted to Fairbern Nursing Home in Huntsville at 14 Mill Street, PIH 2A4. She will be returning to Minden September 18.

Whatever Marvella Smith turns her hand to is sure to be a success as she is bubbling with energy and ideas!! As the Resources Manager of the Haliburton County Community Co-Operative Inc., she has got things moving and shaking. The newest project is UsedTOPIA 2 on the corner of North Water Street and Bobcaygeon Road where Sue Eskelin is the manager. Sue can be reached at 286-4503. You can buy recycled items of all sorts, or you can donate goods to sell or you can sell things on consignment. With their other store on Highland Street in Haliburton, the co-op provides many services such as speakers, holding a Recycling Festival on Saturday, September 18. (More about that later.) They "entertain, enlighten, practice and preach recycling at every opportunity". A great organization to join or contribute to in our community!!

Aren't the scarecrows fun!! It is great to see the effort businesses are making to join in the fun!! I finally got into the act and have some folks sitting on my porch!! It's a great idea for an annual event!!

I hope everyone enjoyed the long summer weekend. See you back here next week !!

SCORING NEWS

July 22, at Echo Hills, playing Duplicate Bridge, in North/South, in first place were Reet Murray and Mike Collins with 57%. Second were Helen McCracken and Gladys Fugar with 56%. In East/ West, tied for first with 62%, were Dorothy McIntyre with Grace Smyth and Stella McMillan with Vange Croucher.

July 27, at Stanhope, playing Contract Bridge, three small slams were bid and made. Len McNeice won two of them, one with Grace Smyth and the other with Betty Schlotter. The third one was one by Wynne Hansen with Barry Thrash. The top four scorers were Grace Smyth with 5300, Barry Thrash, 5340, Len McNeice, 5700 and number one, Vange Croucher with 6080.

July 28 at Park Lane, playing Duplicate, in North/South, Vera Carnochan with Mayme Douglas were first with 58%. Harold Cox and Betty Dicker were second with 54%. In East/West Jack and Vange Croucher earned first

spot with 61%, and Marcel and Marion Honc were second with 59%.

Another July 22 event was Euchre at the Minden Legion. Gladys Wruth and Norm Lee won most lone hands. Vicki Campagnolo and Jim Bradbury won the top scores. Hazel Peacock and Al Cooper won the lows. Tod Edgson, Marcel Roussel, Marg McAfee (yeah) and Don Bart won the other prizes.

Katie Parker was ecstatic when she phoned in the scores for Euchre at St. Paul's Friendship Club last Monday afternoon. They had the biggest group out for Euchre, ever. Good going!! Norm Lee won lone hands. Jesse Barlow was high man and Pearl Cowan was high woman. Esther Lee won the hidden score. The low scores were taken by Dorothy McIntyre and Betty Barlow. Pat Millard won the 50/50 draw. I wonder if they will beat their new record to-day?

Last Friday evening at Club 35, playing Bid Euchre, four moonshots were won by Frank Campagnolo, Maisie McCrone, Sharon Evans and June Branning. The High Pinks were Grace Smyth and Mary Schadt tied with 243 and the Eleanor Smith with 240. The High Whites were Alvin Cowen with 283, Norm Lee with 282 and Harold Smith with 245. Vicki Campagnolo won the hidden score.

Then on last Monday evening at Club 35 playing Euchre, Stan Walker won the 50/50 draw and Marcel Lamothe won lone hands. The high scores were won by Dorothy Walker and Fred Gregory. Olive Daniels and Wally Harpur took the Lows. Eleanor Smith won baloney.

On the same evening at the Minden Legion, playing Cribbage, Ed Hisson and Elva Paisley were the top players. Ann Baker, Roy McDonald and Jean Scadden won the draws.

Playing Seniors Bid Euchre at the Legion last Tuesday afternoon, Norm Lee, Gala Stamp, Jean Scadden and Marcel Roussel were the top scorers. Marie Dennie won the hidden score. Norm Lee and Ann Baker won the two moonshots.

Up at Stanhope last Wednesday evening, seven moonshots were won at Bid Euchre. The five top scores went to: Bill Milford with 283; Gala Stamp (yeah) 289; Marianne Stepanek, 295; Gloria Moore, 315; and the top score of the night went to Ray Moore with 320.

The heat isn't bothering the card players!! Keep up the good cards and camaraderie!! See You here next week with the next edition!!

cal Center would be appreciated
by the family.

IN MEMORIAM

DUGAN - In loving memory of
my dear husband, **James W.
Dugan**, who passed away Au-
gust 6, 1998.

*There are stars that go out in the
darkness,
But whose silver lights shineth on;
There are roses whose perfume
still lingers,
When the blossoms are faded and
gone.*

*There are lives full of light and of
sweetness,
Where no longer their life current
flows,
Still their goodness lives on with
the living
Like the soul of the star and the
rose.*

*I keep in memory a love of the past
To me it's as bright as of old,
For deep in my heart it was painted
to last,*

*And in absence it never grows
cold.
Lovingly remembered by wife
Gladys.*

DUGAN - In loving memory of
my wonderful Dad, **James W.
Dugan**, who left this life August
6, 1998.

*I don't think of him as gone away
His journey's just begun.
Life holds so many facets,
This earth is only one.*

*I think of Dad as resting
From sorrows and the tears
In a place of warmth and comfort
Where there are no days and
years.*

*I think how Dad must be wishing
That we could know today
How nothing but our sadness
Can really pass away.*

*I think of him as living
In the hearts of those he touched,
For nothing loved is ever lost
And Dad was loved so much.*

*Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always
near*

*Still loved, still missed, still very
dear.*

Remembered and loved always
by daughter **Yvonne, Mike &
Family.**
